

Invitation to an Empowerment - Workshop for female* victims of racism and discrimination

The workshop is offered by *refugio thüringen e.V.* and *ezra*, which offers counseling for victims of right-wing, racist and anti-Semitic violence in Thuringia.

Racist discrimination, at times to the point of violence, is experienced in everyday situations: for example on the street, on public transport, at government agencies, at school, at work, during interactions with the police. The workshop aims to provide a space to talk about personal experiences and develop individual options for action.

The workshop addresses:

- ✓ How can I identify discriminating behavior?
- ✓ What are my rights?
- ✓ How can I deal with these issues? How can I react?
